Introduction

This system is Web-based The Travel Agency System. Users can be able to manage suppliers and customers. Customers and suppliers relating to the Exchange order. Exchange Order as well as the order which wants to contain order information and passenger information. User can be able to manage many passengers into one order. Each and Every order / Exchange order directly connected by invoice. Receipt and Payment Voucher are separate there are no relations.

If you use the travel Agency System, Users must create / login their accounts. Every user directly connected to order. This is the system user's types two.

1. Standard User
2. Administrator

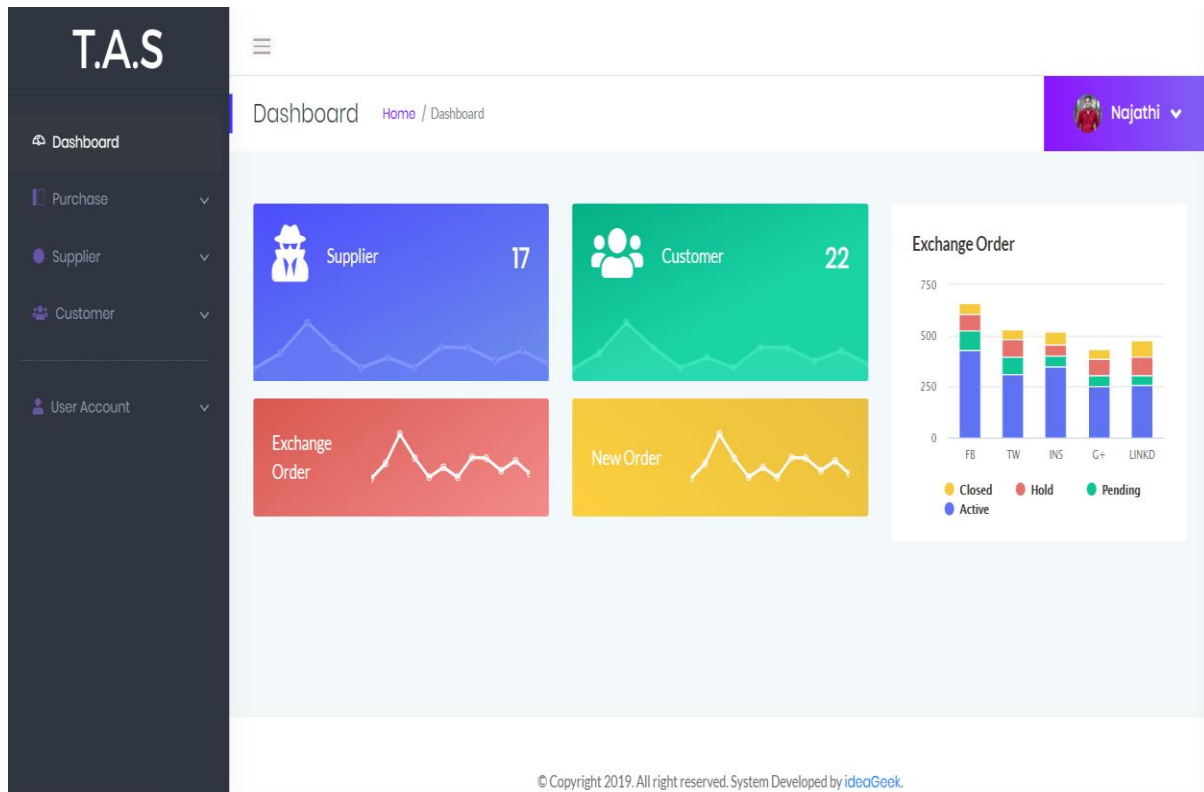

Standard user facilities is limited. They can't manage customers, suppliers, user's information but they can manage Exchange order, invoice, receipt, and payment voucher.

Administrator user facilities all features there are no limitations. The administrator is able to manage suppliers, customers, orders, invoices, receipts, payment vouchers, and user controls and so on.

User control is one feature of the travel agency system which is able to manage user's accounts. Admin user only accesses them.

For more information about TAS please go to <http://tas.thetravelportal.lk/>

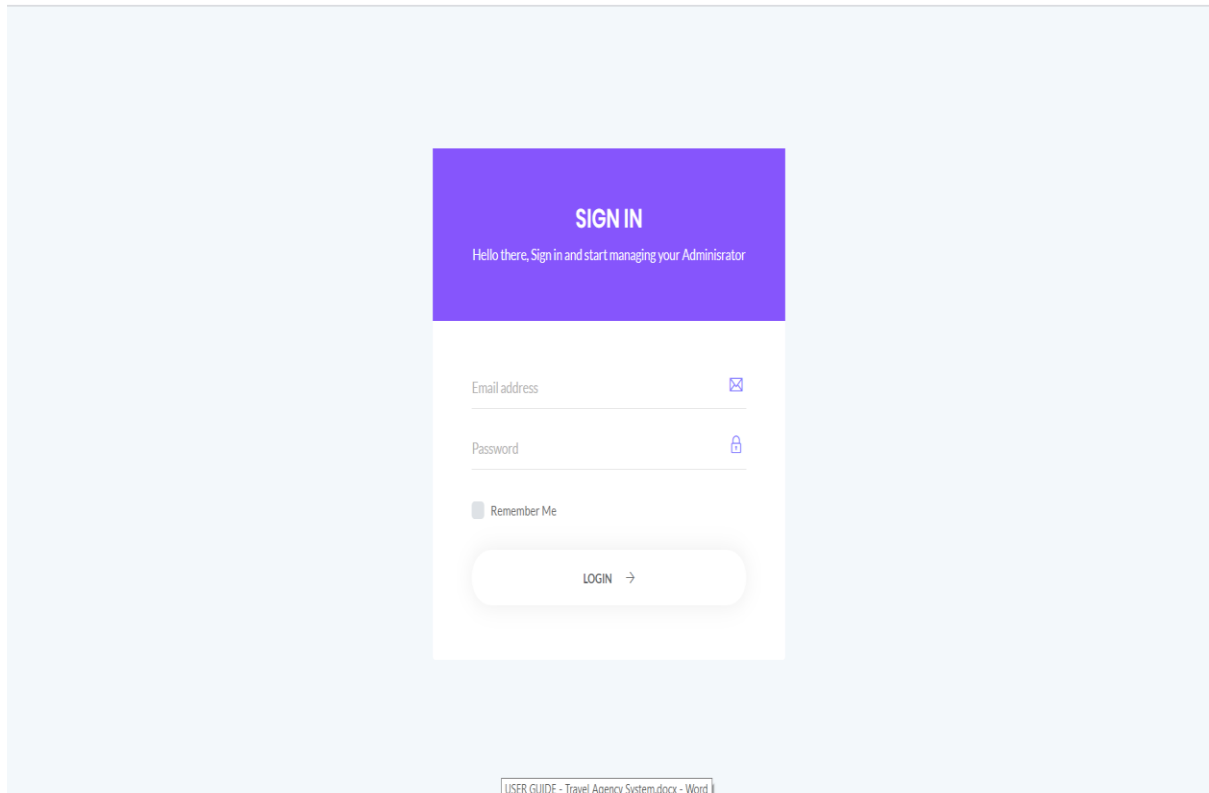

Home Page

Home Page

This is the home page of the travel agency system which contains suppliers, customers, orders, and newly added order's pieces of information.

Login Page

The screenshot shows a login page with a light blue background. In the center is a white card with a purple header. The header contains the text "SIGN IN" in white, bold, uppercase letters, followed by a smaller line of text: "Hello there, Sign in and start managing your Administrator". Below the header, the card has two input fields: "Email address" with an eye icon on the right, and "Password" with a lock icon on the right. Below these fields is a checkbox labeled "Remember Me". At the bottom of the card is a rounded button with the text "LOGIN" and a right-pointing arrow. At the very bottom of the page, there is a small footer text: "USER GUIDE - Travel Agency System.docx - Word".

Login Page

This system user as well as company staff. All staff can't register their accounts themselves. Admin can able to create the user account. After the user can change the password.

Receipt

The screenshot shows the T.A.S. Receipt management interface. On the left is a dark sidebar with the T.A.S. logo and navigation links: Dashboard, Purchase, Supplier, Customer, and User Account. The main content area has a header with 'Receipt' and a breadcrumb 'Home / Add Or Search Receipt'. A user profile 'Najathi' is in the top right. Below the header, there's a 'Reciept' section with a blue '+' button and a refresh icon. A search bar shows '10' entries and a 'Search Details' button. A table lists receipt entries with columns: #, CUSTOMER, TELEPHONE, MODE OF PAYMENT, AMOUNT, DATE, ACTION, and PRINT. One entry is visible: #000001, CUSTOMER 000003, TELEPHONE 45454, MODE OF PAYMENT Cash, AMOUNT 20000.00, DATE 2019-11-11 21:21:26. Below the table, it says 'Showing 1 to 1 of 1 entries' with 'Previous', '1', and 'Next' links.

#	CUSTOMER	TELEPHONE	MODE OF PAYMENT	AMOUNT	DATE	ACTION	PRINT
000001	000003	45454	Cash	20000.00	2019-11-11 21:21:26		

Receipt

This page is receipt information, you can add, view, edit, delete and print the receipt. A receipt is not related to any order/exchange order. So Receipt works separately.

The screenshot shows the 'View - Receipt' modal window. It displays receipt details for 'The Travel Portal Pvt Ltd' with address 'No: 996/A, Main Street, Kalmunakudy - 14, Kalmunai, SRI LANKA.' and contact info 'Phone: (213) 484-6829, Email: sample@email.com'. The receipt date is '2019-11-11 21:21:26' and the receipt number is '000001'. A table shows the transaction details:

Customer	Mode of Payment	Total
MHM, Nahani	Cash	20000.00
Subtotal:		20000.00
Total:		20000.00

Payment Details: 21245. A 'Close' button is at the bottom right.
